

Annual Report Card

Plainview Public Schools

2016-2017

According to Title 92, Rule 10 of the Nebraska Administrative Code, schools must annually prepare a written performance report that includes demographic, student performance, and financial information about the school district. A more detailed source and series of information about Plainview Public Schools can be found at www.nde.state.ne.us on the State of the Schools Report Card.

Demographic Information

The latest data indicates that 17% of Plainview Public School students receive Special Education Services. That is compared to 14% for the state average. In addition, 37% of our students received Free or Reduced Lunch compared to 36% for the state average.
