COACHES TRUST MEB FOR CAMPS CUSTOMIZED FOR THEIR TEAMS

"Our players absolutely loved it. Many said it was the best camp they had been a part of. Very organized. All of my questions were answered in a timely manner. Very pleased. We were extremely pleased with our experience."

- Tersen Arnold
Head Girls Basketball Coach
Southwest High School (NE)

"This was my second year of having an MEB Camp and I have been really impressed both years. We have had different coaches each year and I haven't seen the same drill twice, which I think is great. Keeps things fresh for the players and allows me to pick up some drills to use during the season."

- CJ Korf
Head Boys Basketball Coach
Hugoton High School (KS)

"All of my players were very excited and motivated after the camp. Each of them said multiple times how much they learned in three days. I was very pleased with the instruction. It was very impactful for my players to hear MEB coaches reinforce the same things I've been teaching them. We had a shootout 2 days after the camp and it was like I had a new group of kids. They were confident, motivated, and worked very hard on applying the information they had been given."

- Amanda Mathes
Head Girls Basketball Coach
Lesterville High School (MO)
