

Mrs. Lori Klooz

She always walks into class
With a smile on her face.
She pushes her students
To work at a fast pace.
She works so hard
To prepare us for the university.
College will be much easier
After all this adversity.
We give her a hard time
and she continues to help us.
In her class,
Work ethic and respect are a must.
She has taught us so much
And she is a teacher we never want to lose.
She is my inspiration for going into math,
She is my math teacher Mrs. Klooz.
