

Mrs. Claudia Schultze

She arrives at school before the morn,
When it comes to the announcements she will inform.

Her papers are in place and her organization is sweet,
even though her desk doesn't always appear to be very neat.

Always willing to lend a helping hand
is what makes her one of the greatest teachers in the land.

But when she sneezes it's no small crumble,
For when it happens, your desk is sure to rumble.

Teaching Spanish everyday,
molding minds in everyway.

But the best reward of all,
is the way she teaches lessons great and small.

So gracias, gracias a thousand times,
For being the great teacher you are which allowed me to write this rhyme.
