PREAMBLE

THIS AGREEMENT IS MADE AND ENTERED INTO THIS 8th Day of December, 2026, by and between the Board of Education of the School District of Plainview in the county of Pierce in the State of Nebraska (hereinafter referred to as the “Board” or “District” as the context may require) and the Plainview Professional Education Association (hereinafter referred to as the “Association”).

The terms of this agreement are for the 2026-2027 & 2027-2028 school years. For the 2026-2027 & 2027-2028 school year the district will again offer the BC/BS \$1,200 deductible health insurance plan, or the plan that is deemed equivalent to, or replaces, the BC/BS \$1,200 deductible plan.

NOTICE OF NONDISCRIMINATION

Plainview Public Schools will not discriminate against any employee or applicant for employment, to be employed in the performance of such contract, with respect to their hire, tenure, terms, conditions, or privileges of employment, because of their race, color, religion, sex, disability, or national origin.

PROCEDURES FOR CONDUCTING NEGOTIATIONS

The PPEA and the Board of Education will determine any specific guidelines for conducting negotiations at their first meeting. All procedures found in Policy #407.07 and Nebraska State Statute 48-818 will be followed.

ARTICLE I Recognition

The Board recognizes the Association as the exclusive and sole collective bargaining representative for all teachers employed by the District.

Teacher shall mean all certificated teaching personnel employed by the district.

ARTICLE II Teacher Rights

- A. Nothing contained in this Agreement shall be construed to deny any teacher those rights provided under Nebraska law or other applicable laws and regulations. Rights granted to teachers herein shall be deemed to be in addition to those provided elsewhere.
- B. The Board will not discriminate against any teacher with respect to terms and conditions of employment by reason of membership in the Association and its affiliates, participation in collective negotiations with the Board, or institution of a grievance under the terms of this Agreement.

ARTICLE III Grievance Procedure

A. Definition of Terms:

Grievance: Any claim or claims by a teacher, a group of teachers, or the Association, hereafter referred to as the PPEA, that conditions exist which adversely affect terms and conditions of employment or a claim that there has been a violation, misinterpretation, or misapplication of policy, regulations, or contract language.

Grievant: Teacher, group of teachers, or the PPEA making the claim as provided in the paragraph above. The grievance shall be initially filed at the level where the decision resulting in the grievance was made.

B. Procedures:

Level 1: A teacher, group of teachers, or the PPEA who feel they have a grievance should first orally communicate with the administrator to whom they are directly responsible in an effort to resolve the problem. This oral communication must take place within 10 calendar days after the alleged grievance occurred.

Level 2: If the grievance has not been solved at Level 1, the teacher or group of teachers who are members of the PPEA shall set out their grievance in writing and report this alleged grievance to the Professional Rights and Responsibilities Committee of the PPEA and ask this committee to consider the merits of the alleged grievance. This request to the PR&R Committee shall be made within 15 calendar days after the alleged grievance occurred. This committee will meet and act upon such request within 10 calendar days after such action has been requested. If the PR & R Committee does not feel the complaint has merit, it shall indicate this to the complainants, who may continue to press their grievance through the remaining levels with or without the support of the PPEA. If the teacher or group of teachers are not members of the PPEA they may skip Level 2 and register their grievance directly in Level 3. A complete report of the attempts to settle the grievance at each level must be written out and signed by all parties involved and presented to the next level before the grievance will be considered at that level.

Level 3: If the PR&R committee feels that the grievance as presented to them has merit, and if the teacher, group of teachers, or the PPEA involved requests their participation and assistance, the PR&R Committee may make available the services of one of its members to appear with the grievant or grievants at each step in the grievance procedure. If a PR&R Committee member is to accompany the grievant or grievants, a written notification shall be given to the administrator involved. At least five calendar days prior to the conflicts, the administrator may have the option of selecting another member of the administrative staff to assist him at each level of the grievance procedure. The grievant or grievants shall, in 15 calendar days from the alleged grievance or the action by the PR&R Committee, whichever comes later, request a conference with his/her building administrator and shall submit the details of the alleged grievance in writing to his/her building administrator. A staff member who is not a member of the PPEA

must submit his/her grievance in writing to the building administrator within 15 calendar days after the occurrence of the alleged grievance.

Level 4: If the grievance is not settled at Level 3 within 10 calendar days, the teacher, group of teachers, or the PPEA may submit a written request within 5 calendar days for a joint conference with the building administrator and the Superintendent of schools.

Level 5: If the grievance is not solved at Level 4 within 10 calendar days, the aggrieved teacher, group of teachers, or the PPEA may submit a written request within 5 calendar days to the Superintendent of schools for a meeting with the Board of Education to be held within 30 calendar days. Such a request will be granted if the teacher, a group of teachers, or the PPEA follow the steps outlined herein.

Level 6: The Board of Education will consider a grievance presented at the completion of Level 5 and the steps outlined herein and will render a decision within 30 calendar days. The decision by the Board of Education will be the final decision in the grievance procedure and will be binding on all parties.

ARTICLE IV

Teachers shall be paid monthly, in twelve equal installments on the twentieth (20th) of the month utilizing the direct deposit system. C. Base Salary

The base salary shall be \$42,000 for the 2026-2027 school year and \$43,000 for the 2027-2028 school year. If EHA rates increase 5.0%-6.99% for 2027-2028 the base salary will be \$42,750. If EHA rates increase 7.0+% for 2027-2028 the base salary will be \$42,500.

F. Guaranteed Placement

Teachers to the right of the BA+36 column with a Master's Degree during the 2021-2022 school year (W. White, Clemans, Kment, Alexander, Blair-Sauser, Mosel, Jacobsen, Boyer) will be compensated an additional 4.25% of the base for the duration of their employment at Plainview Public Schools.

G. Horizontal Movement

Teachers must complete a "Salary Advancement Approval" form PRIOR to earning graduate credit that they intend to count toward salary advancement.

All coursework accepted for advancement on the salary schedule must be graduate credit from an approved accredited institution.

Any teacher who will advance on the salary schedule must notify the superintendent's office by providing official transcripts no later than August 20 in order to be paid during the year. Failure to notify the superintendent's office by August 20 will result in the teacher not being advanced on the salary schedule until the following year.

All graduate hours earned prior to a Master's Degree must be in approved Masters level courses from an accredited institution.

Only teachers on staff beginning with the 2026-2027 school year will be eligible for the MA+36 column (Arlt, Catlin, Hostert, Blair-Sauser, Boyer, Mosel, Jacobsen, Kush). All others must earn a second Master's Degree to be eligible for the MA+36/2nd MA column.

Teachers initially placed on Step 3 of the salary schedule, based upon their prior teaching experience, will be frozen on Step 3 until they have completed their third year of teaching, at which time they will be granted normal vertical movement in relation to their experience. Only one movement vertically per year shall be granted.

I. Extra Duty

Where a contractual agreement has been reached between an individual teacher and the district relating to the performance of extra curricular duties, the salary shall be in accordance with the provisions of the extra duty/extra curricular salary schedule.

J. Extended Contracts

Where a contractual agreement has been reached between an individual teacher and the district relating to employment beyond the annual employment periods the salary for that extended contract shall be a prorate extension of that teacher's daily rate of pay for the annual employment period, 1/185th of teacher's salary.

K. Class Cover Substitute

Compensation for class cover as a substitute will be made at the rate of \$40 per class or the prorated equivalent if not a full class period. The superintendent will determine which situations qualify for extra pay and compensation forms will be filled out prior to covering a class and signed by teacher and administrator at the time of the request. The principal will prepare this paperwork.

L. Pay for Teaching College Credit Classes

Teachers will be paid \$500 for each college credit class they teach. In the event the class is taught as a distance learning class, the teacher will be paid both the \$500 for teaching a college credit class and the money they would receive according to the extra duty schedule for teaching a distance learning class.

M. Early Retirement Incentive Pay

The purpose of this early retirement incentive is for the employee and the district to receive a financial benefit when someone takes early retirement. A current certificated employee must be at least 55 years old and have spent fifteen years of employment with the Plainview School District. Part-time employees will have their benefit prorated on the basis of their contractual work time. An eligible employee who elects this option must notify the superintendent in writing on or before February 1st of the year he/she will retire by August 31. An eligible employee will receive a benefit of \$7,000 per year for a maximum of five (5) years. The benefit will cease when the employee is eligible for full social security benefits. Payments will begin in January the year following retirement and continue for five years or until the person reaches full social security age. The \$7,000 will be paid on January 20. ARTICLE V
Insurance and Annuities

A. Health Insurance

The Board shall provide all certificated teacher employees with full family health and single dental insurance coverage in accordance with their appropriate Tier under the Educators Health Alliance (BC/BS) program. Participation will be in the \$1,200 deductible plan. Employees contracted from .4 - .99 FTE will receive a prorated amount.

Qualified individuals electing not to participate in the employer's health insurance plan will receive 55% per month in salary compensation of the total monthly Single health/dental plan or an amount prorated according to their FTE. This is provided that a teacher shall not be permitted to decline School District provided group health and single dental insurance unless said teacher has filed with the business office on the form provided by the School District an agreement providing (1) for an individual disclaimer which certifies that said teacher is covered by alternate health insurance coverage which provides at least "Bronze Level" health insurance coverage as defined under the Patient Protection and Affordable Care Act (PPACA); and, (2) that should the employee fail to obtain and maintain health insurance coverage as required herein at any time during the term of the Negotiated Agreement, the teacher shall be deemed to have permanently waived his/her rights to decline health insurance coverage and receive a cash stipend, and shall be required to enroll Employee "self-only" under the School District's group health insurance coverage during the open enrollment period for such group plan for the ensuing contract year, and all subsequent contract years.

The cash insurance payment shall be subject to FICA taxes and federal and state income tax, but is a fringe benefit and shall therefore not be subject to the Nebraska Public Employee Retirement System deduction/payment.

If BC/BS does not offer a \$1,200 deductible plan, the district will pay for the substitute plan.

B. Disability Insurance

All employees must purchase their own disability insurance through a provider selected by the district. Payments will be made through monthly payroll deductions. To offset these costs, the district will provide \$275 for the 2026-2027 and 2027-2028 school years to be deposited into each employee's Section 125 account. Part-time employees will receive a pro-rata amount.

C. IRA Contribution

All certified employees will have the option to be enrolled in a 403b/457b IRA plan. The school district will contribute \$15 IF the employee elects to contribute \$10 for a total of \$25. At year 15 of service to the district, the school district will contribute \$25 to the teacher's IRA plan with no required contribution by the teacher. At year 25 and above, the

school district will contribute \$30 to the teacher's IRA plan with no required contribution by the teacher. This agreement is retroactive to current years of service to the district.

D. IRS 125 Plan

Each teacher covered by this agreement shall have the option of participating in an IRS Section 125 Flexible Benefit Plan. The administration and participation costs of this benefit shall be paid by the Board of Education. This fund will be administered according to the law. All payroll deductions will be deposited into the proper bank account in a timely fashion.

ARTICLE VI
Terms of Employment

A. Teacher's Contract

Upon initial employment, the teaching contract issued to employees subject to this Agreement shall be on a contract form recommended by the Commissioner of Education. The length of the contract shall be 185 days.

B. Release from Contract

Teachers who wish to be released from their contract shall be released upon written request filed with the Superintendent of Schools. All resignations will be presented to the Board for final acceptance or rejection.

D. Normal Work Day

The normal workday for bargaining unit teachers shall be 8 hours.

E. Reduction in Force

When the Board of Education deems that budget considerations, declining enrollment, or reduction or discontinuation of a particular service requires a reduction or in the number of teachers or administrators to be employed at the beginning of the following year, the Board may amend/terminate the contract of an employee at the close of the school year provided that the following provisions shall apply:

1. On or before March 15 of any school year the Superintendent shall recommend to the Board of Education those grades, areas, or programs where fewer employees are needed or where programs should be discontinued.
2. The school district shall attempt to absorb reductions in a building, department, or program through normal attrition due to resignations, retirement, leaves of absence and/or alternate assignments.
3. No probationary teacher will be retained to render service which a tenured teacher is qualified by reason of certification and endorsement to perform.
4. When tenured teachers are considered for reduction the following criteria will be applied to determine which teacher will be considered for reduction. Each employee will be given an accumulative point total based upon the points and categories listed below. Points are to be figured on a yearly basis, not accumulated over time with the exception of "c. Length of Service" which accumulates up to a total of fifteen points. That employee with the smallest point total will be reduced first.
 - a. Special Training/Skills/Endorsements: (15 points maximum)
 1. Additional Endorsements 1-4 points

 3. Special workshops that enhance teaching 1-4 points

 4. Team Mates Local Coordinator 1 point each
 5. All other positions on extracurricular schedule 2 points each
 - c. Length of Service in District: (15 points maximum)

One point for each year as a full time teacher in district. Part-time teaching will be prorated accordingly.
5. Any employee who is to be terminated to effect a reduction in force shall have the rights for notification and hearing as provided in Nebraska statutes. Any employee so terminated shall be considered to have been dismissed with honor and shall, upon request, be provided a letter to that effect. The terminated teacher will also have 24 month recall rights as provided in statute.

6. An employee under contract with another school district may waive recall but such waiver shall not deprive the employee of his or her right to subsequent recall.
7. If the reduction of an employee, based upon the provisions of this policy, would place the district in non-compliance of any federal or state law or regulations requiring affirmative action employment practices, the district may vary from these provisions as necessary to comply with such laws or regulations.
8. The Board of Education will not change this policy without consulting the PPEA.

ARTICLE VII

Leaves

Employee must specify on leave request what type of paid leave is being used/requested.

Sick Leave

At the beginning of each school year each teacher shall be credited with six (6) days paid sick leave allowance to be used for personal or family illness. Family is defined as siblings, children and parents of the staff member or his/her spouse.

Staff in need of additional sick days may borrow up to four days from the next school year. If the employee leaves the district while still owing sick leave days, the staff member's salary shall be reduced by 185th of their total salary for each day borrowed. The employee may elect to have this amount deducted in one lump sum or divided between all remaining paychecks.

Paid Time Off (PTO)

At the beginning of each school year each teacher shall be credited with five (5) days PTO to be used at the discretion of the teacher.

Unused Sick/PTO Day

If an annual allotment of sick days or carryover of unused sick/PTO days pushes a teacher's total above 45 days, they will be paid ½ the current sub rate back down to 45 days. If a retiring teacher has 45 days in their sick bank, they will be paid ½ the current sub rate for each day down to 0. For retirees with less than 45 days in their sick bank, the payback rate will be \$10/day.

Bereavement Leave

Bereavement leave will be 2 per occurrence. If more time is needed for immediate family or travel time, it will be at the administrator's discretion.

Professional Leave

The granting of professional leave is subject to administrative approval.

Jury Duty Leave

When a staff member is ordered to report for jury duty, full salary will be granted to said staff member. The compensation a staff member receives shall be reimbursed to the school except expense reimbursement.

Paid Leave Restrictions

If teacher is absent outside of negotiated leave, they will have 1/185th of their total salary reduced. If a teacher requests PTO leave on PD Day or to extend vacation or scheduled break or during first/last 5 days of school, the teacher will be docked the current substitute teacher pay rate.
