

Plainview Sports Boosters Membership

August 1, 2019

Dear Plainview Pirates Sports Fans,

We would like to take this opportunity to welcome you to another year of Plainview Pirate sports activities. The Plainview Sports Boosters are dedicated to providing volunteer and monetary support for all student athletes and coaches. We do this by selling Booster memberships for the school year. Booster members' names (not donation amounts) will be listed on the back of each home game program.

Your donation will be used to help contribute to the needs of the athletic programs and to help promote school spirit and sportsmanship. Some of our more recent projects include the following:

- Contributing to the improvement and updating of the activity record boards
- Providing scholarships for student athletes
- Homecoming and end of the year activities
- Serving as an outlet for Pirate clothing and apparel as well as photo buttons of student athletes

Memberships received on or before the Gatorade Scrimmage on August 23rd will be put in a drawing for a chance to win a free family athletic pass valued at \$135.00!

Thank you for supporting our student athletes! Go Pirates!
